HOPE **RETREAT**
OCTOBER 24-27

Dear Partner in Ministry,

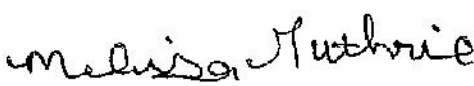

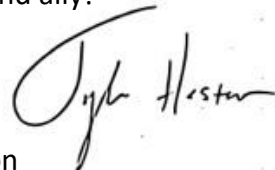

We are headed to the mountains! LGBTQ+ people of faith and allies from across the Church will gather together to hope in color and enjoy the colorful foliage at Christmount Retreat, Camp, and Conference Center in Black Mountain, NC. By engaging the spiritual practices from the devotional journal [Colors of Hope](#), retreat participants will be encouraged and equipped to embody their faith—and queer their spirituality. With an emphasis on connection over content, all are invited to join the book's editor and authors to wonder, resist, embody, create, hope, stretch, and share.

Christmount is the only formal Open & Affirming outdoor ministry with AllianceQ. The Alliance supports lesbian, gay, bisexual, transgender, and gender-diverse people of faith, educates and equips faith communities for understanding, affirming, and including LGBTQ+ persons, and collaborates with ecumenical partners for intersectional justice work. **We invite you to collaborate with us as a sponsor, exhibitor, or supporter as we host the Colors of Hope Retreat at Christmount October 24-27.**

We need your support to make the retreat experience possible *and accessible*. With your financial contributions we can maintain a modest registration fee and provide generous scholarship support for as many registrants as possible. We have not gathered in-person for more than two years and we have never hosted a retreat like this. But we know people are longing for connection and we know our world needs beauty, hope, healing, and love to color every corner.

Will you make a gift to AllianceQ in support of the Colors of Hope Retreat and our ministry alongside the Christian Church (Disciples of Christ)? Exhibitor display space is limited and available to those with the earliest reservation. Full details follow and all inquiries can be directed to Melissa@colorsofhope.net.

Thank you for being a missional partner and ally!
