

# In the Light of Day

## A Transgender Day of Visibility Vigil

Friday, March 31, 2023

8 a.m. - 8 p.m. Eastern

"...let your light shine before others, so that they may see your good works and give glory to God"

### Sponsorship

A "sponsor" commits to sharing the event and urging members or those in its network to attend the Transgender Day of Visibility Vigil.

While not required, we need sponsors to make financial contributions to support the event and all the action that will unfold -- the efforts to support our trans and gender-expansive siblings and work for trans justice. We suggest a minimum donation of \$100 for sponsors and will include the sponsor's name, logo and ministry details in all our communications.

Sponsors are urged to share resources or action steps with us. We are compiling resources and tangible actions that individuals and faith communities can take to address the discrimination and hate of anti-trans legislation and to demonstrate support for our queer siblings.
