

# PRONOUN LITURGY

COMPOSED BY: ELI BURTON

Lord, We are grateful for the gift of our lives and the gift of others in our lives.

**ALL: For the she, he, they, ve, ze, fae, and elle**

Many and varied in gender, color, sexuality, age, class and ability, we are members of Christ's beautiful body.

**ALL: For them, em, per, ver, hir, her, and him**

*We are called to love each other and to do nothing to others that we would find hateful to ourselves. For only together can we find wholeness.*

*We honor the many ways that people live and love.*

***ALL: We honor all perspectives – his, pers, hers, xyrs, theirs, faers***

*We repent for the times when our faith traditions have named transgender people and folx on the gender spectrum unworthy.*

*Love does not exclude. We are all worthy.*

*We suffer when trans and folx on the gender spectrum are oppressed, excluded and shamed by religious people who overlook the fundamental call to justice in our scriptures.*

*True justice flourishes when we can live with authenticity and integrity.*

*May we work to build a community where transgender folx, and people all over the gender spectrum affirmed and celebrated as full and equal members, recognizing their many gifts.*

***ALL: We affirm all people, of all gender expressions, and their pronouns that enrich our language and love.***

*We celebrate gender diversity as a blessing that enriches us all.*

*Amen.*
